

2016 RMLA FIBER BOOTH CONSIGNOR'S AGREEMENT FORM

I, _____ hereby agree to consign items to be offered for sale in the RMLA Fiber Booth at the following events in 2016: (Please check all that apply.) Name of Event(s)
_____ Estes Park Wool Market _____ Salida Fiber Festival _____ Taos Wool Market, Or _____ All Events until further notification.

Current inventory sheets for all items must be provided to the Fiber Booth CoChairman before the first event at which they will be offered for sale. Items should be delivered or mailed to the Booth Manager so that they are received at least one week prior to an event, unless you are working in the Booth and can deliver them in person at the event. If you check "all events," it is assumed that the Fiber Booth will store your unsold inventory in its utility trailer until further notice, however, this Agreement must be renewed annually. Items left in the trailer by consignors who do not have a current signed Agreement on file as of June 1, 2016, will be considered abandoned and will become silent auction donations. Consignors are responsible for supplying labels and price tags for all items with consignor and item numbers clearly marked. Consignors are responsible for providing appropriate storage containers for their items. RMLA reserves the right to decline any items which do not meet the Fiber Booth Guidelines. All shipping costs are the responsibility of the Consignor.

I understand that RMLA will deduct a 20% consignment fee (40% for Non-Members) from my profit on all items sold. I have read, understand and agree to the guidelines and procedures outlined in the Fiber Booth materials on the RMLA website. I will not hold RMLA, its members or Fiber Booth volunteers responsible for any loss, alteration or damage to the items I consign. (Note: your household insurance may cover your inventory)
